This privacy policy is intended to inform the users of this website in accordance with the Federal Data Protection Act and the Telemedia Act on the type, scope and purpose of the collection and use of personal data by the website operator Klaus Rauch consulting engineer, Riedweg 5, D-88326 Aulendorf.

The website operator heatStixx takes your privacy very seriously and handles your personal information confidentially and in accordance with the law.

Keep in mind that data transmission on the Internet can generally be subject to security vulnerabilities. Full protection against access by strangers is not possible.

access data

The website operator heatStixx collects data about access to the site and saves it as „server log files“. The following data is logged:

- Visited website
- Time of the access
- Amount of data sent in bytes
- Source / reference from which you came to the site
- Browser used
- Operating system used
- Used IP address

The data collected are for statistical purposes only and to improve the website. The website operator heatStixx reserves the right, however, to retrospectively check the server logfiles should concrete evidence point to unlawful use.

cookies

This site uses cookies. These are small text files that are stored on your device. Your browser accesses these files. The use of cookies increases the user-friendliness and security of this website.

Popular browsers offer the preference option of not allowing cookies. Note: There is no guarantee that you will be able to access all the functions of this website without restrictions if you make the appropriate settings.

Handling of personal data

The website operator heatStixx collects, uses and transfers your personal data only if this is permitted by law or if you consent to the collection of data.

Personal information means all information that is used to identify your person and which can be traced back to you - such as your name, e-mail address and telephone number.

Handling contact information

If you contact the website operator heatStixx through the offered contact options, your details will be stored so that they can be used to process and answer your request. Without your consent, this data will not be disclosed to third parties.

Dealing with comments and contributions

If you leave a post or comment on this website, your IP address will be saved. This is for the safety of the website operator heatStixx: If your text violates the law, it wants to be able to track your identity.

subscriptions

You have the option to subscribe to both the entire website and follow-up comments on your post. You will receive an e-mail confirming your e-mail address. Besides this, no further data will be collected. The stored data will not be passed on to third parties. You can unsubscribe at any time.

Google Analytics

This website uses the „Google Analytics“ service provided by Google Inc. (1600 Amphitheater Parkway Mountain View, CA 94043, USA) to analyze users' website usage. The service uses „cookies“ - text files stored on your device. The information collected by the cookies is usually sent to a Google server in the US and stored there.

On this website accesses the IP anonymization. The IP address of users is shortened within the member states of the EU and the European Economic Area. This reduction eliminates the personal reference of your IP address. Under the terms of the agreement, which website operators have entered into with Google Inc., they use the information collected to compile an evaluation of website activity and site activity, and provide Internet-related services.

You have the option to prevent the storage of cookies on your device by making the appropriate settings in your browser. There is no guarantee that you will be able to access all features of this website without restriction if your browser does not allow cookies.

Furthermore, you can use a browser plug-in to prevent the information collected by cookies (including your IP address) from being sent to Google Inc. and used by Google Inc. The following link leads you to the corresponding plugin: <https://tools.google.com/dlpage/gaoptout?hl=de>

Alternatively, by clicking on this link (IMPORTANT! Insert opt-out link) you prevent Google Analytics from collecting data about you within this website. By clicking on the link above you download an „opt-out cookie“. Your browser must allow cookies to be stored. If you delete your cookies regularly, you will need to click on the link each time you visit this website.

Use of social media plugins

This website uses Facebook Social Plugins, which is operated by Facebook Inc. (1 Hacker Way, Menlo Park, California 94025, USA). Recognizable are the bindings to the Facebook logo or the terms „Like“, „Like“, „Share“ in the colors Facebook (blue and white). Information on all Facebook plug-ins can be found in the following link: <https://developers.facebook.com/docs/plugins/>

The plugin creates a direct connection between your browser and the Facebook servers. The website operator heatStixx has no influence on the nature and extent of the data that the plugin transmits to the servers of Facebook Inc. Information can be found here: <https://www.facebook.com/help/186325668085084>

The plugin informs Facebook Inc. that users have visited this website. There is the possibility that your IP address will be saved. If you are logged into your Facebook account while visiting this website, the information will be linked to it.

If you use the functions of the plugin - for example by sharing or „liking“ a post - the corresponding information will also be transmitted to Facebook Inc.

Do you want to prevent the Facebook. Inc. associates this information with your Facebook account, please log out of Facebook before visiting this website.

Furthermore, this website uses the „+1“ button of Google Plus. It is operated by Google Inc. (1600 Amphitheater Parkway Mountain View, CA 94043, USA). If you visit a page that contains the „+1“ button, a direct connection is created between your browser and the Google servers. The website operator heatStixx therefore has no influence whatsoever on the nature and extent of the data transmitted by the plugin to the servers of Google Inc. Click on the „+1“ button while logged in to Google+, share the content of the page on your public profile.

Personal data is not collected by Google Inc. until you click the button. Even with logged in Google users, among other things, the IP address is stored. If you would like to prevent Google Inc. from storing this data and linking it to your account, please log out before visiting this website.

For information on the „+1“ button, see <https://developers.google.com/+/web/buttons-policy>.

Furthermore, this website uses Twitter-Schlatflächen. These are operated by Twitter Inc. (795 Folsom St., Suite 600, San Francisco, CA 94107, USA). If you visit a page containing such a button, a direct link will be created between your browser and the Twitter servers. The website operator heatStixx therefore has no influence whatsoever on the nature and extent of the data transmitted by the plugin to the server Twitter Inc.

According to the Twitter Inc. only your IP address is collected and stored. For information about how personal information is handled by Twitter Inc., please visit <https://twitter.com/privacy?lang=en>

Newsletter Subscription

The website operator heatStixx will soon be offering you a newsletter informing you of current events and offers. If you would like to subscribe to the newsletter, you must enter a valid e-mail address.

Rights of the user: information, correction and deletion

As a user, you will receive, at your request, free information about which personal data has been stored about you. If your request does not conflict with a legal obligation to retain data (eg data retention), you are entitled to correct incorrect data and to block or delete your personal data.
